

VELCIANO GROUP

COMPANY PROFILE

About Us

At Velciano Group, we deliver high-quality bedsheets, curtains, and sofa covers designed to bring comfort, elegance, and durability into every home. Sourced from trusted textile mills and crafted with precision, our products reflect a strong commitment to craftsmanship, quality, and customer satisfaction.

Velciano Group is a diversified textile and investment group focused on delivering high-quality home textile products globally. Our group structure integrates sourcing, manufacturing, and export operations, ensuring efficiency, control, and consistent quality across all processes.

Our products—bedsheets, curtains, and sofa covers—are developed through carefully selected manufacturing partners, using modern techniques and strict quality standards to ensure durability, comfort, and design excellence.

At Velciano, we believe in building lasting relationships through trust, excellence, and world-class home textile solutions.

Velciano operates with a clear brand positioning, where each product category reflects a distinct identity while maintaining the group's core values of reliability and premium quality.

Our Focus-

Our vision is to become a globally trusted name in home textiles, recognized for premium quality, innovative designs, and dependable service. We strive to redefine comfort and style through our bedsheets, curtains, and sofa covers, while building long-term partnerships and promoting sustainable growth in the textile industry.

Our Mission

Our mission is to deliver high-quality bedsheets, curtains, and sofa covers with consistency and excellence. Through innovation, responsible sourcing, and efficient supply chain management, we aim to support our partners, add value to their businesses, and contribute to ethical and sustainable textile practices worldwide.

Leadership Team:

AMIT CHUG

Founder

Velciano Group was established with a clear vision—to deliver premium home textile solutions that combine quality, comfort, and style. Today, that vision continues to expand across global markets with a strong foundation of trust and excellence.

Nachiket Patel

Co-Founder

Focused on operational excellence, I lead the end-to-end execution of sourcing, production, and exports at Velciano Group. Our goal is to ensure seamless processes, consistent quality, and timely delivery across every order.

Vansh Chug

Global Business Head

Driving global expansion, I focus on building strong relationships with importers, distributors, and partners worldwide. My aim is to create long-term value through reliable textile solutions, efficient logistics, and transparent business practices.

Khush Patel

Regional Business & R&D Head

I lead Velciano Group's growth across international markets by combining research, innovation, and execution. Our approach focuses on delivering customized textile solutions that align with regional trends and global standards.

At **Velciano Group**, every milestone is the result of collective effort—from leadership to the dedicated teams working behind the scenes—ensuring excellence in every product we deliver.

Our Manufacturing & Processing Facilities

Comfort. Craftsmanship. Consistency.

At Velciano Group, our manufacturing and processing units are strategically located in key textile hubs of India, enabling us to source premium-quality fabrics directly from trusted mills. This advantage allows faster production cycles, reduced lead times, and strict quality control—resulting in bedsheets, curtains, and sofa covers that reflect superior comfort, durability, and finish.

Key Features of Our Facilities

Strategic Location:

Our units are based in major textile manufacturing zones, ensuring direct access to high-grade raw materials and efficient, cost-effective production.

Advanced Infrastructure:

Equipped with modern machinery for weaving, stitching, dyeing, and finishing, our facilities maintain precision, consistency, and the capacity to handle bulk orders seamlessly.

Sustainable Practices:

Velciano Group is committed to responsible manufacturing through energy-efficient processes, eco-friendly dyes, and effective waste and water management—ensuring our products are both high-quality and environmentally conscious.

Customized Packaging Solutions:

We provide flexible packaging options tailored to your business needs—from bulk export cartons to private label and branded packaging. Our solutions include barcode labeling, custom inserts, and export-ready finishes to ensure safe and professional delivery worldwide.

Our Product Range

Designed to meet global standards, our product portfolio includes premium bedsheets, curtains, and sofa covers available in a wide range of sizes, colors, fabrics, and designs. At Velciano Group, we blend functionality with modern aesthetics to suit diverse market preferences.

Our collections are carefully developed to cater to importers, retailers, and distributors worldwide—offering quality, variety, and consistency across every product line.
